Our school has participated at the internationale project „**Fair trade for a fair future**“. The first meeting was in German city Dortmund. Our students Michaela Brathová, Viktória Sovská, Dominik Fullajtár, Marek Rybárik from class II. and Filip Hlobik from class IV. with our teacher Mgr. Michalčinova were there.

We came to Dortmund on Sunday **29-th November**. The first day we spent in our host families. Students from other countries - England, Austria, Denmark and Italy were coming too.

The official first day started at Europaschule Dortmund, where we got some information about the week.. We went to the Town Hall in the centre of the city, where we met the Mayor of Dortmund and we knew more about Fair Trade. After lunch we divided into groups and discovered shops with fair trade products. The second day we had workshop about picking of cocoa and producing chocolate. On Wednesday we travelled to Kolin, where we visited a beautiful cathedral, Christmas market and chocolate museum. On Thursday we went to the town Wuppertal, where we could travel by a famous railway Wuppertal Schwebebahn. We visited GEPA, which export Fair Trade products all over the Europe. In the evening we went to Westfalenpark in Dortmund. The last day we met at the Europaschule, where we divided into three groups, one of them prepared lunch, and two of them went to the

fair trade shops in Dortmund. We enjoyed our stay very much, we got a lot of interesting information about fair trade, we met new friends and saw beautiful places. Thank you very much German friends and teachers. We are looking forward to next meeting, which is going to be in

Denmark town Sønderborg in April 2016.
